We are ranked 'The Youngest Foundation University in Turkey' in The World University Rankings 2021. In the World Rankings by Subject, we are Turkey's top fourth university in "Engineering and Technology" in the 501-600 band.

We are listed in the top 100 in the world rankings among 766 universities in recognition of the social impact of our practices in two categories. We ranked 59th in "Peace and Justice" and 80th in "Affordable and Clean Energy".

We placed first in the "Innovation and Collaboration Space" category in recognition of our OzU-X Building, and ranked third in "Green University" category. We were conferred the Honorable Mention award in the "Community Engagement Initiative" category in recognition of the CEEE's NextGEN project.

In the U-Multirank World University Rankings 2020, we are listed second among all universities in Turkey, placing first in Business Administration and second in Political Sciences.

We are the "Best Foundation University in Turkey" in the "University Ranking for Computer Science & Electronics 2020".

We are fourth among Turkish foundation universities, and first among Turkish foundation universities founded after 2000 without a faculty of medicine.

In the Scimago Institutions Rankings 2020, we ranked third among Turkish foundation universities, and placed second in the Innovativeness ranking among all Turkish universities.

Özyeğin University ranked in the top three among foundation universities in the Higher Education Employment Index for the category "Universities with the Fastest Graduate Employment".

Three-times-in-a-row winner of the Turkey's University Satisfaction Survey, our University was once again named among A+ universities in student satisfaction this year.
