In this page you will find basic information which will help you plan your trip well when you have arrived in Türkiye.

This page will inform you the documents needed to visit Türkiye, the currency in force, the food, how to deal with different culture and tradition, internet access, public transportation, vehicle rental, voltage used, and various other information needed to make you sure and ready to get around in Türkiye.

# Türkiye in general

## Information you should know when you are in Türkiye

### When to visit

The most proper time to visit Türkiye is in April, May, June and September.

In these months, the sun is bright, the weather is warm and very fun. In these months, there are not many tourists from other countries.

If you love shopping, come and visit Türkiye in November or February because prices are down and there are a lot of discounts.

on the day in August and at night the temperature will drop to around 23 degrees. It is very cold in cold season in Türkiye in which snow will fall early in January and the temperature ranges between 8 degrees in the day and will drop to 2 degrees at night.

but please note that sometimes blitz light and camera tripod are not allowed at all. Several locations may charge for the pictures you take as indicated in the admission ticket to get into the tourism sites.

### Bargaining

Türkiye is a nice place to shop with affordable prices, except fuels which are relatively high.

Therefore, bargaining has been a part of daily life here. In several places such as markets and several parts of the old town, this is a custom and mandatory. Do not rush yourself, visit shops here. Do not make premature decisions and don't let the vendor push you. When you are ready, bargain the price by stating half of the price mentioned by the vendors and start bargaining. Do not hesitate to bargain when you are hiring unmetered taxis. Bargaining is allowed unless you are shopping in department stores / supermarkets.

### What to bring

In dry season, you are recommended to bring casual clothes such as t-shirt or similar clothes to anticipate the hot temperature in the day.

You may need long sleeves t-shirt and sweater at night. Do not forget to bring hat and sunblock.

In cold season, we suggest you to bring jacket and umbrella to anticipate bad weather.

If you plan to visit mosques, wear proper dress namely dress which covers your shoulder and knees. Women are also required to wear head scarf to cover their heads.

We also suggest you to bring anti mosquito lotion and do not forget to bring compatible adaptor plug for your electronic devices.

### Travel insurance

It is very recommended to have a travel insurance covering the hospital and medical cost including repatriation cost with airlines. If you purchase a travel insurance which only covers European Region, please make sure that the insurance will cover you at the time you are in Istanbul.

### Temperature

Dry season in Türkiye is very long, hot and dry and short storms may occur suddenly. The temperature sometimes reaches 40 degrees with the average normal temperature of 31 – 35 degrees

### Photography

You are allowed to take pictures in almost all locations, tourism sites, monuments, museums

### Tax and tax refund

VAT (KDV in Türkiye) has included into selling price of each items at

modern shopping center. There are various basic calculations, but in general it has been set to 18%. The price can become higher, if you ask to mention tax detail, because the seller must attach and pay that taxes to government. You can shop at duty free shop who labeled free tax sign and you will earn Global Refund Cheque. You are able to withdrawal those cheque and get back the tax from the items in cash at the Türkiye airport. You will also to show the items that you bought, so it is important to remember and keep with care.

### Visa and Passport

To enter Türkiye, you need visa and passport with minimum 6 months valid.

You can get visa in Türkiye at airport and you will pay \$25.

### Time

Türkiye include in Eastern Europe time, in universal time GMT +02:00. On March until October, the difference time between Türkiye and Jakarta (Indonesian Western Time) is 4 hours. On November until February the different time is 5 hours from Jakarta (Indonesian Western Time)

### Electricity

You do not need to worry when travel to Türkiye because the electricity plug are same with Indonesia, it helps you to travel.

### Telephone

majority mobile phones GSM can used in Türkiye, of course you should enable International roaming. To save money, you can buy international calling card or phone card. Some payphone in Türkiye also is equipped with a credit card for easy payment to make long distance calls. Surely it's cheaper than the hotel phone rates

### Internet Connection

In Istanbul, you can find free WIFI at all public area, such as at cafe, and hotels. For areas outside Istanbul, free WIFI is also easy to be found.

### Currency

Turkish Lira (TL) is a currency in Türkiye. Available in 1, 5, 10, 50, and 100.

We suggest you to exchange the money when you arrive at Türkiye, because the selling price are better if compared to outside of Türkiye. In some place you could also use EURO or USD as payment instrument.

You could find money changer everywhere especially in Istanbul.

### Drinking Water

Tap water in Türkiye is clean, but not suggested to drink directly. Better to drink mineral water.

### Water Electric Kettle

In Türkiye, not every hotel provides water electricity kettle. If need hot water to drink, you could contact hotel's room service, some hotel will charge additional for this service.

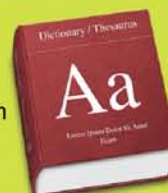

### Cup Noodle / Instant Noodle

For you instant noodle (Cup Noodle) lovers, it is really difficult to find Cup Noodle. You have to bring it from Indonesia.

### Language

Türkiye is using Turkish Language. In some place of interest and tourism area, there are many people who can speak English, thus, it is convenience to help you to communicate.

### Smoking

Smokings are prohibited in every room in Türkiye, like in building or public transport.

You could smoke in open-air area. Only some places have smoking room facility. If you want to smoke you must pay attention to smoking signs nearby.
